

Liposomal Vitamin C+

Liposomal Vitamin C+ combines the antioxidant power of Vitamin C with advanced liposomal delivery for enhanced absorption and effectiveness.

Key Benefits:

- **Enhanced Absorption:** Liposomal technology allows Vitamin C to bypass the digestive tract for maximum bioavailability.
- **Immune Support:** Strengthens the immune system, helping the body fight infections.
- **Antioxidant Protection:** Protects cells from oxidative stress and free radical damage.
- **Skin Health:** Supports collagen formation, promoting healthy skin and reducing wrinkles.
- **Energy Boost:** Contributes to overall vitality and energy.

Additional Info:

- **No Added Sugars:** Free from sugars and artificial sweeteners.
- **GMO-Free:** Formulated without genetically modified organisms.
- **Dosage:** One softgel daily or as directed by a healthcare provider.
- **Storage:** Store in a cool, dry place away from sunlight.

Ideal for:

- Those seeking immune support and overall wellness.
- Individuals looking to improve skin health and energy levels.

Liposomal Vitamin D3

Vitamin D3 is an essential nutrient that supports bone health, immune function, and overall well-being. It helps the body absorb calcium, promoting strong, healthy bones and teeth.

Key Benefits:

- **Bone Health:** Aids in calcium absorption, contributing to strong bones and teeth.
- **Immune Support:** Strengthens the immune system, helping protect against illness.
- **Mood Support:** Vitamin D3 plays a role in regulating mood and promoting mental well-being.
- **Heart Health:** Supports cardiovascular function and healthy blood pressure levels.

Additional Info:

- **High Potency:** Provides a potent dose of Vitamin D3 for maximum benefit.
- **GMO-Free:** Made without genetically modified organisms.
- **Dosage:** Take one softgel daily or as recommended by a healthcare provider.
- **Storage:** Keep in a cool, dry place, away from direct sunlight.

Ideal for:

- Individuals looking to improve bone strength and immune function.
- Those seeking mood and heart health support.

Liposomal Life Factor

Liposomal Life Factor is an advanced formula designed to support overall health and vitality. Using liposomal technology, it enhances the absorption of essential nutrients, ensuring your body receives maximum benefits from this powerful blend.

Key Benefits:

- **Enhanced Nutrient Absorption:** Liposomal technology ensures superior bioavailability for optimal nutrient delivery.
- **Boosts Vitality:** Helps improve energy levels, supporting overall vitality and well-being.
- **Cellular Health:** Supports healthy cell function and repair for better longevity.
- **Immune Support:** Strengthens the immune system for better resistance to infections.
- **Mental Clarity:** Promotes cognitive function and mental focus.

Additional Info:

- **No Added Sugars:** Free from sugars and artificial additives.
- **GMO-Free:** Formulated without genetically modified organisms.
- **Dosage:** Take one softgel daily or as directed by a healthcare provider.
- **Storage:** Store in a cool, dry place, away from direct sunlight.

Ideal for:

- Individuals seeking to boost energy and support immune health.
- Those looking to promote cellular health and enhance cognitive function.

Liposomal Immumomin+

Liposomal Immumomin+ is a powerful immune support supplement that combines advanced liposomal delivery technology with key ingredients designed to strengthen your immune system and enhance overall wellness.

Key Benefits:

- **Immune Boost:** Supports and strengthens the body's natural immune defense system.
- **Enhanced Absorption:** Liposomal technology ensures maximum bioavailability, delivering nutrients efficiently to your body.
- **Antioxidant Support:** Helps protect cells from oxidative damage and free radicals.
- **Energy & Vitality:** Promotes energy and overall wellness, supporting your body's resilience.
- **Natural Protection:** Contains a blend of natural ingredients known for their immune-enhancing properties.

Additional Info:

- **No Added Sugars:** Free from artificial sweeteners and sugars.
- **GMO-Free:** Formulated without genetically modified organisms for a healthier choice.
- **Dosage:** Take one softgel daily or as directed by a healthcare provider.
- **Storage:** Store in a cool, dry place away from direct sunlight.

Ideal for:

- Individuals looking to strengthen their immune system.
- Those seeking an energy boost and overall wellness support.

Liposomal Glutathione

Liposomal Glutathione is a potent antioxidant supplement designed to support detoxification, protect cells from oxidative stress, and enhance overall health. Utilizing advanced liposomal delivery technology, it ensures superior absorption for maximum effectiveness.

Key Benefits:

- **Detoxification:** Supports the body's natural detox processes, helping eliminate harmful toxins.
- **Antioxidant Protection:** Protects cells from oxidative stress and free radical damage.
- **Immune Support:** Enhances the immune system, aiding the body's defense against infections.
- **Liver Health:** Promotes liver function by neutralizing toxins and supporting cellular repair.
- **Skin Health:** Helps improve skin appearance by reducing oxidative damage and promoting healthy aging.

Additional Info:

- **No Added Sugars:** Free from sugars and artificial additives.
- **GMO-Free:** Made without genetically modified organisms for a more natural product.
- **Dosage:** Take one softgel daily or as directed by a healthcare provider.
- **Storage:** Store in a cool, dry place away from direct sunlight.
-

Ideal for:

- Individuals looking to detoxify and protect cells from oxidative stress.
- Those seeking to support liver health and immune function.
- People wanting to enhance skin health and promote healthy aging.

Liposomal Skin Day

Liposomal SkinDay is a specially formulated supplement designed to support healthy, glowing skin. Using advanced liposomal technology, it ensures optimal absorption of nutrients, promoting skin hydration, elasticity, and protection from environmental stressors.

Key Benefits:

- Skin Hydration: Helps maintain moisture balance for smooth, supple skin.
- Collagen Support: Promotes collagen production, enhancing skin elasticity and reducing the appearance of wrinkles.
- Antioxidant Protection: Protects the skin from oxidative damage caused by free radicals and environmental factors.
- Improved Skin Tone: Supports even skin tone and a healthy complexion.
- Enhanced Absorption: Liposomal delivery ensures superior bioavailability for maximum benefit.

Additional Info:

- No Added Sugars: Free from sugars and artificial sweeteners.
- GMO-Free: Formulated without genetically modified organisms.
- Dosage: Take one softgel daily or as directed by a healthcare provider.
- Storage: Store in a cool, dry place away from direct sunlight.

Ideal for:

- Those looking to improve skin hydration and elasticity.
- Individuals seeking to protect their skin from oxidative stress and environmental damage.
- People who want to enhance their complexion and reduce the visible signs of aging.

Liposomal Glutathione, Coenzyme Q10 & Vitamin C

This advanced formula combines three powerful antioxidants—Liposomal Glutathione, Coenzyme Q10, and Vitamin C—designed to enhance overall health, protect against oxidative stress, and support cellular function.

Key Benefits:

- Antioxidant Protection: Glutathione, Coenzyme Q10, and Vitamin C work together to protect cells from oxidative damage and free radical stress.
- Enhanced Absorption: Liposomal technology ensures superior bioavailability, delivering these potent nutrients directly to the bloodstream for maximum effectiveness.
- Energy Boost: Coenzyme Q10 supports cellular energy production, improving vitality and reducing fatigue.
- Immune Support: Vitamin C strengthens the immune system, aiding in the defense against infections and illnesses.
- Skin Health & Anti-Aging: Vitamin C promotes collagen production, improving skin elasticity and reducing signs of aging.
- Liver and Detox Support: Glutathione helps detoxify the body and supports liver function, improving overall health.

Additional Info:

- No Added Sugars: Free from artificial sweeteners and sugars.
- GMO-Free: Formulated without genetically modified organisms for a cleaner, healthier supplement.
- Dosage: Take one softgel daily or as directed by a healthcare provider.
- Storage: Store in a cool, dry place away from direct sunlight.

Ideal for:

- Individuals seeking antioxidant protection and cellular support.
- Those looking to boost energy levels and promote skin health.
- People in need of detoxification and immune system support.

Liposomal Curcumin

Liposomal Curcumin is a highly bioavailable supplement designed to harness the potent anti-inflammatory and antioxidant properties of curcumin, the active compound in turmeric. Using advanced liposomal technology, it ensures superior absorption and effectiveness

Key Benefits:

- **Anti-Inflammatory Support:** Curcumin helps reduce inflammation in the body, supporting joint, muscle, and overall health.
- **Antioxidant Protection:** Provides strong antioxidant effects, protecting cells from oxidative stress and damage caused by free radicals.
- **Enhanced Absorption:** Liposomal delivery technology ensures better absorption and bioavailability for maximum benefits.
- **Joint Health:** Supports flexibility and mobility by reducing inflammation and promoting joint comfort.
- **Brain Health:** Curcumin has neuroprotective effects, potentially improving cognitive function and protecting against age-related decline.

Additional Info:

- **No Added Sugars:** Free from sugars and artificial additives.
- **GMO-Free:** Made without genetically modified organisms for a more natural product.
- **Dosage:** Take one softgel daily or as recommended by a healthcare provider.
- **Storage:** Store in a cool, dry place, away from direct sunlight.

Ideal for:

- Individuals seeking anti-inflammatory support, especially for joints and muscles.
- Those looking to protect against oxidative stress and improve overall wellness.
- People who want to support cognitive health and brain function.
